TERMS OF PLAY

- ⚽ Play must not be entered into should any player be under the influence of alcohol or drugs.
- ⚽ Due to the physical nature of 5-a-side & 7-a-side football Pro-Soccer recommend that all players compete to a level that is suited to their age, size, and level of cardio-vascular capabilities.
- ⚽ Small sided soccer is a fast paced physical activity played within a solid structure. As such there is a risk of players coming into contact with this pitch structure (i.e. fencing, netting, mesh, boarding and goal frames). All players must accept that there is a risk of injury should players choose to play, whilst in close proximity to the aforementioned structure, at a velocity where contact with the structure that may result in injury, may become possible.
- ⚽ Pro-Soccer advises that contact between players (tackles, shoulder challenges etc) is refrained from when contact is within 3 metres from any part of the structure.
- ⚽ In the event of any accident or injury, the duty manager must be notified immediately with full details of the accident being disclosed.
- ⚽ Pro-Soccer cannot be held responsible for any loss of personal items left on any pitch.
- ⚽ Pro-Soccer cannot be held responsible for any footballs lost on the premises for any reason.
- ⚽ Members and League Team 'Organisers' are advised that pitch hire fees charged for the use of our football pitches do not include insurance cover for on the pitch sporting injuries. You are advised to consider taking out 'Personal Injury' and 'Public Liability Insurance' when arranging or competing in 5-a-side and 7-a-side matches.
